AGENDA

COMMITTEE ON COMMUNITY IMPROVEMENT

May 11, 2004 Aldermen O'Neil, Shea, Garrity, Smith, Lopez 6:30 PM Aldermanic Chambers City Hall (3rd Floor)

- 1. Chairman O'Neil calls the meeting to order.
- 2. The Clerk calls the roll.
- 3. Presentation by representatives of the Office of Youth Services, School District, Police Department and a State agency relative to a potential grant opportunity for the Wrap for Youth Resiliency (WYR) project.
- 4. Resolution and budget authorizations authorizing transfer and expenditure of funds in the amount of \$47,358 (CDBG) for the FY2003 CIP 610403 Downtown Municipal Infrastructure Project."

 Gentlemen, what is your pleasure?
- 5. Resolution and budget authorizations authorizing transfer and expenditure of funds in the amount of \$25,098.98 (CDBG) for the FY2004 CIP 510604 Neighborhood Playground Rehabilitation Project."

 Gentlemen, what is your pleasure?
- 6. Communication from Bruce Thomas, Engineering Manager, requesting the approval of the Chronic Drain Projects as outlined herein, subject to availability of funding.

Gentlemen, what is your pleasure?

7. Communication from Ron Ludwig, Director of Parks, Recreation & Cemetery, requesting authorization to procure two vehicles through the State of NH procurement process to replace a 1988 panel van and a 1987 station wagon.

(Note: Mayor has authorized transfer of \$30,000.00 for this purpose.) Gentlemen, what is your pleasure?

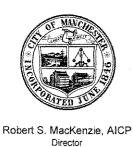

- 8. Review and discussion of the proposed FY2005 CIP budget.
 - a) communication from Alderman Roy;
 - b) communication from Alderman Smith;
 - c) communication from Alderman Forest;
 - d) communication from Alderman Lopez;
 - e) communication from the Public Works Director regarding concrete curb replacement;
 - f) communication from the Deputy Public Works Director regarding landfill post closure monitoring funding;
 - g) communication from the Deputy Director of Parks, Recreation & Cemetery regarding the Crystal Lake Park – Master Plan;
 - h) communication from the Director of Planning regarding a Southern NH Housing Services request of \$250,000; and
 - i) a petition in opposition to funding the Teen Health Clinic

Gentlemen, what is your pleasure?

TABLED ITEM

A motion is in order to remove the following item from the table for discussion.

- 9. Derryfield Park Rehabilitation Phase II. (*Tabled 10/14/2003*)
- 10. If there is no further business, a motion is in order to adjourn.

Planning Community Improvement Program Growth Management

Staff to: Planning Board Heritage Commission Millyard Design Review Committee

Memo to: Committee on CIP

From: Robert S. MacKenzie

Date: May 04, 2004

Subject: OYS Wrap for Youth Resiliency Project

Martin Boldin, Director of the Office of Youth Services, has requested to be placed on the agenda to discuss, with the CIP Committee, a potential grant opportunity from the Office of Juvenile Justice, Delinquency Prevention (OJJDP).

In the year Two Thousand and Four

A RESOLUTION

"Amending the FY 2000 and 2003 Community Improvement Programs, transferring, authorizing and appropriating funds in the amount of Forty Seven Thousand Three Hundred Fifty Eight Dollars (\$47,358) for FY2003 CIP 610403 Downtown Municipal Infrastructure Project."

Resolved by the Board of Mayor and Aldermen of the City of Manchester as follows:

WHEREAS, the Board of Mayor and Aldermen has approved the 2000 and 2003 CIP as contained in the 2000 and 2003 CIP budget; and

WHEREAS, Table 2 contains all sources of Community Development Block Grant, Emergency Shelter Grant and Home funds to be used in the execution of projects; and

WHEREAS, the Board of Mayor and Aldermen desires to provide additional funding to finance the shortfall for the Downtown Municipal Infrastructure Lowell Street Reconstruction Pproject; and

WHEREAS, fund balances in the amount of \$47,358 exist in the completed 1037 Elm Street project;

NOW, THEREFORE, be it resolved that the 2000 and 2003 CIP be amended as follows:

1. By decreasing:

FY2000 650200 – 1037 Elm Street Project - \$47,358 CDBG (from \$880,000 CDBG to \$832,642 CDBG)

and by increasing:

FY2003 610403 – Downtown Municipal Infrastructure Project- \$47,358 CDBG (from \$150,000 CDBG to \$197,358 CDBG)

Resolved, that this Resolution shall take effect upon its passage.

A RESOLUTION

"Amending the FY 2004 Community Improvement Program, transferring, authorizing and appropriating funds in the amount of Twenty Five Thousand Ninety Eight Dollars and Ninety Eight Cents (\$25,098.98) for FY2004 CIP 510604 Neighborhood Playground Rehabilitation Project."

Resolved by the Board of Mayor and Aldermen of the City of Manchester as follows:

WHEREAS, the Board of Mayor and Aldermen has approved the 2004 CIP as contained in the 2004 CIP budget; and

WHEREAS, Table 2 contains all sources of Community Development Block Grant, Emergency Shelter Grant and Home funds to be used in the execution of projects; and

WHEREAS, the Board of Mayor and Aldermen desires to provide funding to effect certain improvements at Sheridan Emmett Park; and

WHEREAS, fund balances in the amount of \$25,098.98 remain in the 2004 School Recreational Facilities project;

NOW, THEREFORE, be it resolved that the 2004 CIP be amended as follows:

1. By decreasing:

FY2004 310204 – School Recreational Facilities Project - \$25,098.98 CDBG (from \$100,000 CDBG to \$74,901.02 CDBG)

and by increasing:

 $FY 2004\ 510604-Neighborhood\ Playground\ Rehabilitation\ Project-\ \$25,098.98\ CDBG\ (from\ \$210,000\ CDBG\ to\ \$235,098.98\ CDBG)$

Resolved, that this Resolution shall take effect upon its passage.

Re: Request to Approve Chronic Drain Projects

Gentlemen:

The Manchester Highway Department hereby requests your approval to complete work on the following projects as part of the City's Chronic Drain program and as funding becomes available:

Project:	Estimated Cost:
Cushing Avenue to Dead End	\$7,000
Westwood Drive	\$13,000
East High at Weston	\$2,500
Margarite Street	\$10,000
Total Estimated Cost:	\$32,500

The Department has reviewed our list of chronic drain projects and feel that these are the highest priority. Once our current projects are complete, and funding becomes available for F.Y. 2004, we expect to have a balance of about \$38,000. The total materials cost of the proposed work is approximately \$32,500. For your use, I have attached an estimates and sketches of each project.

Note that there is an existing Cushing Avenue project that is underway. This new Cushing Avenue project is a continuation of the existing one. This project will be funded with existing chronic drain funding.

The other projects will be funded out of balances in the Chronic Drain program combined with F.Y. 2005 funding. If you have any questions or comments or if I can be of further assistance, please do not hesitate to call.

Very ruly yours.

Bruce A. Thomas
Engineering Manager

Re: Purchase of New Vehicles

Dear Committee Members:

The Mayor has authorized a transfer of \$30,000.00 for within the Parks, Recreation and Cemetery Budget to purchase 2 vehicles.

The vehicles to be replaced are a 1988 panel van and a 1987 station wagon. Both vehicles are severely rusted and will not pass state inspection without a significant amount of body work. The repair of these vehicles would be cost prohibitive.

I am requesting the Committee's approval to move forward with these purchases, utilizing the State of NH procurement process.

I will be available to answer any questions you may have relative to this request

Sincerely,

Ronald E. Ludwig

A RESOLUTION

"Approving the Community Improvement Program for 2005, Raising and Appropriating Monies Therefore, and Authorizing Implementation of Said Program."

Resolved by the Board of Mayor and Aldermen of the City of Manchester as follows:

WHEREAS, the City of Manchester is presented with a number of Community needs and opportunities in the 2005 to 2010 period; and

WITEREAS, certain resources have been identified which can be used in addressing these community needs and opportunities; and

WHEREAS, municipal departments, boards and commissions, have been provided broad opportunity to participate in the identification of community needs and opportunities and of strategies to meet these needs and opportunities; and

WHEREAS, the Board of Mayor and Aldermen has reviewed the 2005 Community Improvement Program; and

WHEREAS, the Board of Mayor and Aldermen will review the Multiyear Program for the period of 2006 to 2010 at a subsequent Board of Mayor and Aldermen meeting; and

WHEREAS, the Board of Mayor and Aldermen wishes to have carried out those programs, projects and activities identified as Tables 1 to 5 of the Community Improvement Program;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN:

THAT, the Community Improvement Program be adopted and endorsed as an essential aspect of the planning and management of the City's capital and service needs and of sound fiscal planning and control;

THAT.

the goals and objectives in the Community Improvement Program reflect priority community needs and opportunities for 2005 and, generally for the 2006 to 2010 period and are hereby adopted;

THAT, the programs and projects to be proposed for the 2006 to 2010 period be generally endorsed as addressing priority goals and objectives within the City's reasonable ability to pay;

In the year Two Thousand and Four

A RESOLUTION

"Approving the Community Improvement Program for 2005, Raising and Appropriating Monies Therefore, and Authorizing Implementation of Said Program."

Resolved by the Board of Mayor and Aldermen of the City of Manchester as follows:

THAT,

the proposed programs and projects identified and recommended for action in 2005 be endorsed and approved subject to appropriation limits, and that those recommended for years 2006 to 2010 be endorsed subject to annual review, revision, and reconsideration of municipal goals, objectives, priorities and financial constraints;

THAT,

subject to administrative procedures and other pertinent requirements as are and may, from time to time, be set forth by the Board of Mayor and Aldermen, in the Code of Federal Regulations, conditions of grant awards, and contracts, there is hereby authorized and appropriated as follows:

the amount of \$16,305,812 in federal, state, and private grant funds in the manner set forth in Table 1, which is attached hereto and made a part hereof by reference: provided, however, that in the event such grant funds are awarded in an amount less than the appropriation amounts set forth in Table 1, or in the event any required local matching funds are appropriated in an amount less than set forth in Table 1, the amount of funds appropriated herein shall be correspondingly reduced;

the amount of \$3,539,608 in Federal Community Development Block Grant program funds and program income, Emergency Shelter Grant funds HOME funds and American Dream Downpayment Initiative in the manner set forth in Table 2 which is attached hereto and made a part hereof by reference; provided, however, that in the event the funds are awarded in an amount less than the appropriation amounts set forth in Table 2, the amount of funds appropriated herein shall be correspondingly reduced; and

THAT,

subject to appropriation, and pursuant to the budget and subject to administrative procedures and other pertinent requirements of the Community Improvement Program as may, from time to time, be set forth, there is hereby authorized as follows:

the amount of \$1,916,065 in FY 2005 municipal funds, for expenditures in the manner set forth in Table 3, which amount shall be identified in a non-departmental account entitled "2005 Community Improvement Program";

In the year Two Thousand and Four

A RESOLUTION

"Approving the Community Improvement Program for 2005, Raising and Appropriating Monies Therefore, and Authorizing Implementation of Said Program."

Resolved by the Board of Mayor and Aldermen of the City of Manchester as follows:

the amount of \$15,600,000 in proceeds from the issuance of short term notes and general obligation bonds for projects as set forth in Table 4; and

the amount of \$10,380,000 for projects financed through enterprises and fees as set forth in Table 5;

THAT,

all such appropriations made herein or hereafter for 2005 Community Improvement Program activities be subject to submission, review and approval of budget information by the Finance Committee of the Board of Mayor and Aldermen prior to expenditure;

THAT.

the Office of the Mayor and/or the Planning & Community Development Department be authorized to cause the expenditure of such monies appropriated and available to carry out the 2005 Community Improvement Program, which authorization shall include execution of pertinent third-party purchase-of-service contracts, and letters of donations;

THAT

consistent with this Resolution, the Office of the Mayor and/or the Planning & Community Development Department be authorized to prepare, submit, negotiate and enter into an agreement and contracts with Federal government departments and agencies and the State of New Hampshire for the period July 1, 2004 to June 30, 2005, that the Office of the Mayor and/or the Planning & Community Development Department be further authorized to contract for federal and state grants for programs and projects and to obligate and commit the local matching share of grants in accordance with the 2005 Community Improvement Program, and that the Office of the Mayor and/or the Planning & Community Development Department be authorized to seek such additional federal, state or private funds as may, from time to time, be made available for programs, projects and activities identified in the 2005 to 2010 period;

In the year Two Thousand and Four

A RESOLUTION

"Approving the Community Improvement Program for 2005, Raising and Appropriating Monies Therefore, and Authorizing Implementation of Said Program."

Resolved by the Board of Mayor and Aldermen of the City of Manchester as follows:

THAT,

the Planning Department be authorized to prepare, submit, negotiate, and contract for funds to be made available to the City under the Housing and Community Development Act of 1974 (as amended) for financing of referenced programs and projects, which authorization shall include authority to provide required policy and administrative assurances including civil-rights, equal opportunity, citizen participation, relocation and property acquisition policy, environmental assurances, labor standards, and others as may be specified in Federal Rules and Regulations Chapter V, Part 570 Community Development Block Grants, Sub Part D, and other pertinent assurances as may, from time to time, be required;

THAT,

the Office of the Mayor and/or the Planning & Community Development Department be authorized to advise other public and private agencies at the federal, state, regional and local level of the approval of the 2005 to 2010 Community Improvement Program and to seek the support of such agencies in carrying out program, projects and activities listed in Section 1 of the 2005 to 2010 Community Improvement Program;

THAT.

the Office of the Mayor and/or the Planning & Community Development Department be authorized and is hereby directed to inform all boards and commissions, agencies and departments of the approval of the 2005 Community Improvement Program;

THAT,

the US Department of Housing and Urban Development's Consolidated Plan, subject to annual revision, be approved, and that the Planning & Community Development Department be authorized to submit the Plan as part of the Community Development Block Grant submission.

Resolved, that this Resolution shall take effect upon its passage.

What is the Community Improvement Program?

The Community Improvement Program (CIP) manages the programming of funds for the City's capital projects and special programs. Each year the Board of Mayor and Aldermen adopts a CIP that includes both a current year appropriation and a long-range capital-planning component. The long-range portion of the CIP Plan looks several years into the future to insure that long term community development needs of the City are met while minimizing tax impacts. The capital portion of the plan is designed to be consistent with the requirements of State enabling legislation relative to Capital Improvement Planning.

What is the purpose of the CIP?

The CIP program was initiated in the 1970's to address a number of problems in planning, programming and financing of City projects. The primary purposes are as follows:

- To coordinate improvement projects within a wide variety of agencies and departments. This coordination reduces overlap and insures maximum impact of the investment dollars.
- To provide access by the Board of Mayor and Aldermen, departments and public to information on all projects and funding in the City in a consistent format.
- To provide streamlined accounting procedures and compliance with a number of federal and state requirements.
- To maximize federal & state dollars for needed projects.
- To minimize tax rate impact of capital projects on local property taxes
- To provide for long-range planning of capital needs.
- To establish a means of setting overall community development priorities between a number of competing needs and with a limited amount to funding to accomplish all of the needs.

How is the CIP Plan organized?

The CIP is organized into six separate Tables. The first five tables are appropriated by the Board of Mayor and Aldermen as the annual CIP, while the sixth table is adopted as a policy and planning tool for future years.

The six tables are as follows:

- Table 1: Federal, State and Other Funds. These are categorical grants or contributions for specific project areas. An example is grants from the State for health programs administered by the Health Department.
- Table 2: Community Development Block Grants, Emergency Shelter Grant, HOME

 American Dream Down-Payment Initiative (ADDI) funds. While these are also

 Federal grants similar to Table 1, they are separated into a separate table since the

City is an entitlement community receiving these funds on an annual basis. The City has a greater flexibility in the determination of how the funds should be used.

Table 3: City Cash. These include a certain amount of funds from the City's operating budget for special projects which cannot be funded by grants or by bonding.

Table 4: General Obligation Bonds. Capital projects financed through issuance of the City's general obligation bonds.

Table 5: Projects Financed Through Enterprises, Fees and other Dedicated Sources. This table includes all projects which are financed through enterprise and other funding sources. They include enterprise departments such as the Airport Department, Manchester Water Works, Environmental Protection Department, and the Parks, Recreation and Cemetery Enterprise program. The costs of bonding and cash appropriations for such projects are financed primarily by user fees.

Multi-year plan: The multi-year portion of the CIP plan looks into the future for at least five years beyond the current year CIP appropriation to determine the overall needs of the City and how much money will be required. The multi-year plan serves as a basis for long-range planning. While the FY05 CIP monies are appropriated by the Board of Mayor and Aldermen, the future years listed are adopted for purposes of planning and financial budgeting.

In addition to the Tables, there is a resolution of the Board adopting the CIP.

What are the activities that CIP funds?

The activities and projects of the CIP have been grouped into seven major areas. They are: health and Human Services; Education; Public Safety; Recreation and Leisure; Housing and Community Development; Transportation and the Environment; and Community Management. Goals and objectives have been identified within each of these seven major service areas developed at the inception of the CIP program.

Major categories and key goals:

HEALTH AND HUMAN SERVICES (200000 series)

What is the CIP process?

The process begins normally in December of each year with department heads and non-profit agencies developing specific programs and projects that are designed to meet specific service objectives. Each organization also prioritizes their projects in accordance with the needs within their area of expertise. The requests for funding are submitted to the Planning Department in mid-January. The CIP staff reviews each of the projects, evaluates them against the goals and objectives, and determines the source of funding to be utilized. During this period, the CIP staff also holds public hearings as required by the Department of Housing and Urban Development as a condition of the receipt of HUD monies.

In accordance with the City Charter, the Mayor reviews the requests and prepares his proposed Community Improvement Program. The Mayor's proposed CIP is submitted to the Board of Mayor and Aldermen in March and is normally reviewed by the CIP Committee of the Board. A public hearing is held prior to adoption of the CIP Plan.

Upon adoption of the CIP Plan, the Planning & Community Development Department is responsible for its overall administration. Prior to issuance to the Finance Department of an authorization for projects, each entity receiving funding must submit specific information on scheduling, budget, federal grant authorization, etc.

The budget and performance information is submitted to the Finance Committee for approval prior to expenditure. For any new projects approved during the budget year, they must first be reviewed by the Committee on Community Improvement Program before submission to the Finance Committee.

The CIP staff have the responsibility to ensures that funded programs and projects are administered by their respective departments or agencies in a manner that ensures flexibility while meeting standards for accountability, performance, applicable regulations and budgetary limitations.

CITY OF MANCHESTER Board of Aldermen

MEMORANDUM

TO:

Alderman O'Neil, Chairman

CIP Committee

FROM:

Mark E. Roy

Alderman Ward Or

DATE:

May 5, 2004

RE:

CIP Budget Requests

As previously discussed, this is a written request for funds to accomplish the intersection changes recommended by the Highway Department at the corner of Campbell Street/Hamel Street/Bicentennial Drive in Ward 1. Former Alderman Wihby and the Highway Department have previously made this request for a number of years on behalf of residents and business owners of that area. The problem has grown and continues to grow.

The safety and design of this intersection/multiple intersections needs to be studied, reviewed and rebuilt. The Highway Department has estimated the cost of this project would be under \$500,000.00, which would encompass rerouting the roadways and signalization greatly improving the safety of this intersection/multiple intersections.

The Highway Department has many studies, plans, and recommendations in varying degrees and timeframes that will indicate the length of time that the safety of this intersection has been overlooked. Residents from Ward 1, neighboring wards and communities are all impacted by the safety and growing traffic issues in this area. I believe it would be prudent for this Board to act and I request we do so at this time.

CITY OF MANCHESTER Board of Aldermen

MEMORANDUM

To:

Alderman O'Neil, Chairman

Committee on CIP

From:

Alderman Smith & & &

Date:

April 12, 2004

Re:

FY2005 CIP Budget

Per your communication dated April 8th, may I suggest the following items be included in the proposed FY2005 CIP budget:

new sidewalk blower

\$70,000.00

two (2) snowblower attachments @ \$6,200/each

\$12,400.00

Total

\$82,400.00

Table 2, Page 3 510305 P&R Master Plan

(funding to update parks and recreational facilities Master Plan)

Would suggest allocating some of this funding to Stark Park and the Piscataquog River Park.

CITY OF MANCHESTER Board of Aldermen

MEMORANDUM

To:

Alderman O'Neil, Chairman

CIP Committee

From:

Alderman Forest

Date:

May 6, 2004

Re:

FY2005 CIP Budget

Relative to the proposed FY2005 CIP budget I am requesting that the committee seriously consider funding of CIP #510005 Park Facilities Improvement Program specifically in reference to the \$500,000 (General Obligation Bonds – Table 4) for the Piscataquog River/West Jr. Deb Park.

CITY OF MANCHESTER Board of Aldermen

MEMORANDUM

To:

Alderman O'Neil, Chairman

CIP Committee

From:

Alderman Lopez

Date:

April 30, 2004

Re:

FY2005 CIP Budget

Would appreciate receiving more information (backup paper work) on the following CIP projects as to the date(s) approved:

410005

Fire Department

\$150,000

411205

Police Department

\$ 20,000 (for city lot)

- a) discussions have been held over the last four years regarding employee training, development, the City's newsletter and Bright Ideas...their budget was cut.

 Would recommend that \$19,000 be taken from the ADA Compliance (810405) and placed into account #811205 (Human Resources Employee Training and Development);
- b) #710705 should take a look at cutting this from \$50,000 to \$25,000 as with four projects having been identified there will not be enough funds for future priority work;
- c) Tabled 4 #811405 (Library HVAC Facility Improvement \$3,250,000)...should request a presentation be made...how much is it for the air conditioning alone?
- d) need to locate \$30,000 in CIP and transfer to budget line #0350 (Management Services/Human Resources) for the Jack Sharry Company who is helping the City with health insurance and saving money in the long run;
- e) would appreciate reviewing any request that may have been presented at the public hearing to make sure that we are not short-changing anyone; and finally,
- f) need to review the two-year bonding information so that everyone knows what this means for the next year...I am not against two-year bonding, however, I feel it should be spelled out clearly.

Re: Landfill Post Closure Monitoring

Funding

Dear Committee Members:

I am requesting the Committee fund the landfill post-closure monitoring for FY '05. The monitoring includes groundwater, settlement and gas well monitoring services. These are requirements of the NH Department of Environmental Services for both closure and grant compliance.

The cost of this work is estimated to be \$ 120,000.00. We had requested this funding as part of both the C.I.P. Program and the Mayor's Budget, but did not receive the funding.

Your consideration of this request would be appreciated. I will be available to address any question you may have on the matter.

Sincerely,

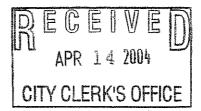

evin A. Sheppard, P.E.

Deputy Public Works Director

Re: Concrete Curb Replacement

Gentlemen:

We have received a request from Alderman Devries to pursue additional funding to replace deteriorated concrete curb throughout the City with granite curb. We are passing this request on to you for your consideration.

Attached is a copy of our F.Y. 2005 C.I.P. request that includes a request for \$150,000 for concrete curb replacement. The cost per linear foot for this work is about \$36 per LF. Therefore, \$150,000 would allow for the installation of approximately 4,165 linear feet of replacement curb.

Also attached is a list of locations where concrete curb has been installed. There currently are 120 Streets with concrete curb. The total length of these streets is approximately 156,000 ft.

If you have any questions or comments or if I can be of further assistance, please do not hesitate to call.

Very truly yours,

Frank C. Thomas, P.E. Public Works Director

c/Kevin A. Sheppard, P.E. Bruce A. Thomas, P.E. Samuel Maranto

Re:

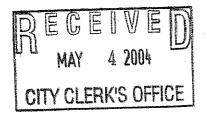

Crystal Lake Park – Master Plan

Would you please add an agenda item for the next scheduled CIP meeting to discuss the attached letter and project request for the Crystal Lake Park – Master Plan.

This is part of the overall CIP request for the Crystal Lake Park Master Plan and Playground project. There is some interest in at least funding the Master Plan portion of this project, which would be \$25,000.

Please give me a call if you have any questions.

Thank you for your assistance with this request.

COMMISSION

George "Butch" Joseph, Chairman Steve Johnson, Clerk Michael Worsley Joseph Sullivan Sandra Lambert Ronald Ludwig, Director

May 3, 2004

Alderman Daniel P. O'Neil, Chairman Community Improvement Program One City Hall Plaza Manchester, NH 03101

Dear Alderman O'Neil:

Enclosed you will find a CIP Activity Financial Request and Preliminary Activity Budget for the Crystal Lake Park project. The total amount of this request is \$175,000. This included funds for site improvements including a new playground. We also identified \$25,000 to complete a Master Plan for the Crystal Lake Park and Open Space study of the surrounding watershed.

This project request was revised once we learned that our Land and Water Conservation Fund grant for the playground project was not approved by the state. Our original request had identified (50%) state funding.

In discussions with Alderman DeVries, we decided to include an additional \$25,000 to initiate a Master Plan for this park facility. Currently, this is the only park in southeast Manchester to serve the growing residential population.

The Master Plan and Open Space study will provide information regarding the needed recreational improvements and also review opportunities for land acquisition in the Crystal Lake watershed.

I trust that this information will be sufficient for your continuing review of the FY-2005 CIP budget. Please give me a call if you need additional information or have further questions.

Sincerely,

Ron Johnson, Deputy Director

p/c Ronald Ludwig, Director Alderman Betsi DeVries

SNHS 2005 Housing Request -Policy Discussion

Southern New Hampshire Housing Services, in partnership with the Manchester Housing and Redevelopment Authority has requested \$250,000 as part of the 2005 CIP Budget process. They are requesting these funds as a grant for the proposed Hanover Street Housing Project. To be consistent with the manner in which all other 2005 housing requests have been treated staff informed them that a favorable recommendation had been made however the assistance would not be totally in the form of a grant as requested. Rather, staff informed them that payments dependent upon the cash flow of the project would be expected. A response letter (see attached) from SNHS noted that HUD would not allow any repayments nor a second mortgage to be placed upon the Project hence the need for a grant from the City.

Through subsequent discussions with HUD officials, Staff have found that SNHS may request additional funds from the HUD- 202 Program to cover the anticipated shortfall upon submission to HUD of the appropriate financial documentation of that need. As such, it is the Staff's recommendation that funding at this time not be provided to SNHS in the form of a grant and that a decision on this request be held until such time as a response from HUD has been received by SNHS.

Hillsboro (03244) School Street Tel: (603) 464-3136 Fax: (603) 464-3420 Dear Mr. Maranto:

I am writing in response to an inquiry from Mr. Todd Flemming, on the ability of Southern New Hampshire Services, Inc. to pay back our proposed \$250,000 HOME grant from the City of Manchester.

I have researched this matter with HUD, which is the sole source of income for this project. Under the terms of the Project Rental Assistance Contract (PRAC), we will submit annual financial statements and proposed budgets. Since our operating costs are met with a combination of tenant contributions and PRAC funds, HUD must approve every expenditure. HUD does not allow 202 projects to use funds to repay any loans, nor will they allow a second mortgage to encumber the project, except under very limited circumstances. That is why we cannot repay the HOME funds, and why we are seeking them as a grant to support this badly needed affordable elderly housing development.

Thank you for your consideration

Sincerely,

Michael O'Shea Fiscal Officer

Derryfield Park Rehabilitation Phase-II (CIP# 510004) Re:

Dear Bob:

According to the FY 2004 CIP Budget, the above referenced project was identified in the Recreation and Leisure section of Table 1 (Federal, State and Other). A budget number of \$500,000 was referenced with a footnote that states the funding was to be provided by the Riverfront Park project as a cash contribution or through in-kind construction services.

This project was also discussed at the March 11, 2003 CIP Committee meeting as being a valid project for funding to be provided by the Riverfront Project developer for the relocation of Singer Park. The motion that carried called to move the bleachers from Singer Park to West Memorial Field, provide the Musco Sports Lighting to the Parks & Recreation Department and accept a cash proposal from the developer to be placed in the City's Special Revenue Reserve Account.

We would like to update you on what has transpired regarding the Riverfront Project and also inquire about the status of the "cash contribution". First, I am pleased to report the relocation of the bleachers to West Memorial Field was completed last week. Next, I should mention that we learned in July from the developer, Mr. Sanborn, the Musco Sport Lights from Singer Park would not be made available to the City.

The last item voted on by the CIP Committee was the "cash contribution". To my knowledge, the City has not received these funds. The City Finance Department contacted our office in mid-August asking about status of the funds, so they could complete the startup for the Derryfield Park Rehabilitation Project - Phase-II. Would you please confirm the status of these funds and make a request to the CIP Committee to determine if they are eligible for Derryfield Park.

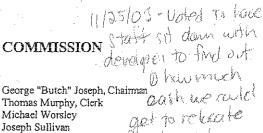

Sincerely yours,

Ronald E. Ludwig, Director

CIP Committee p/c:
